JET PROPULSION LABORATORY

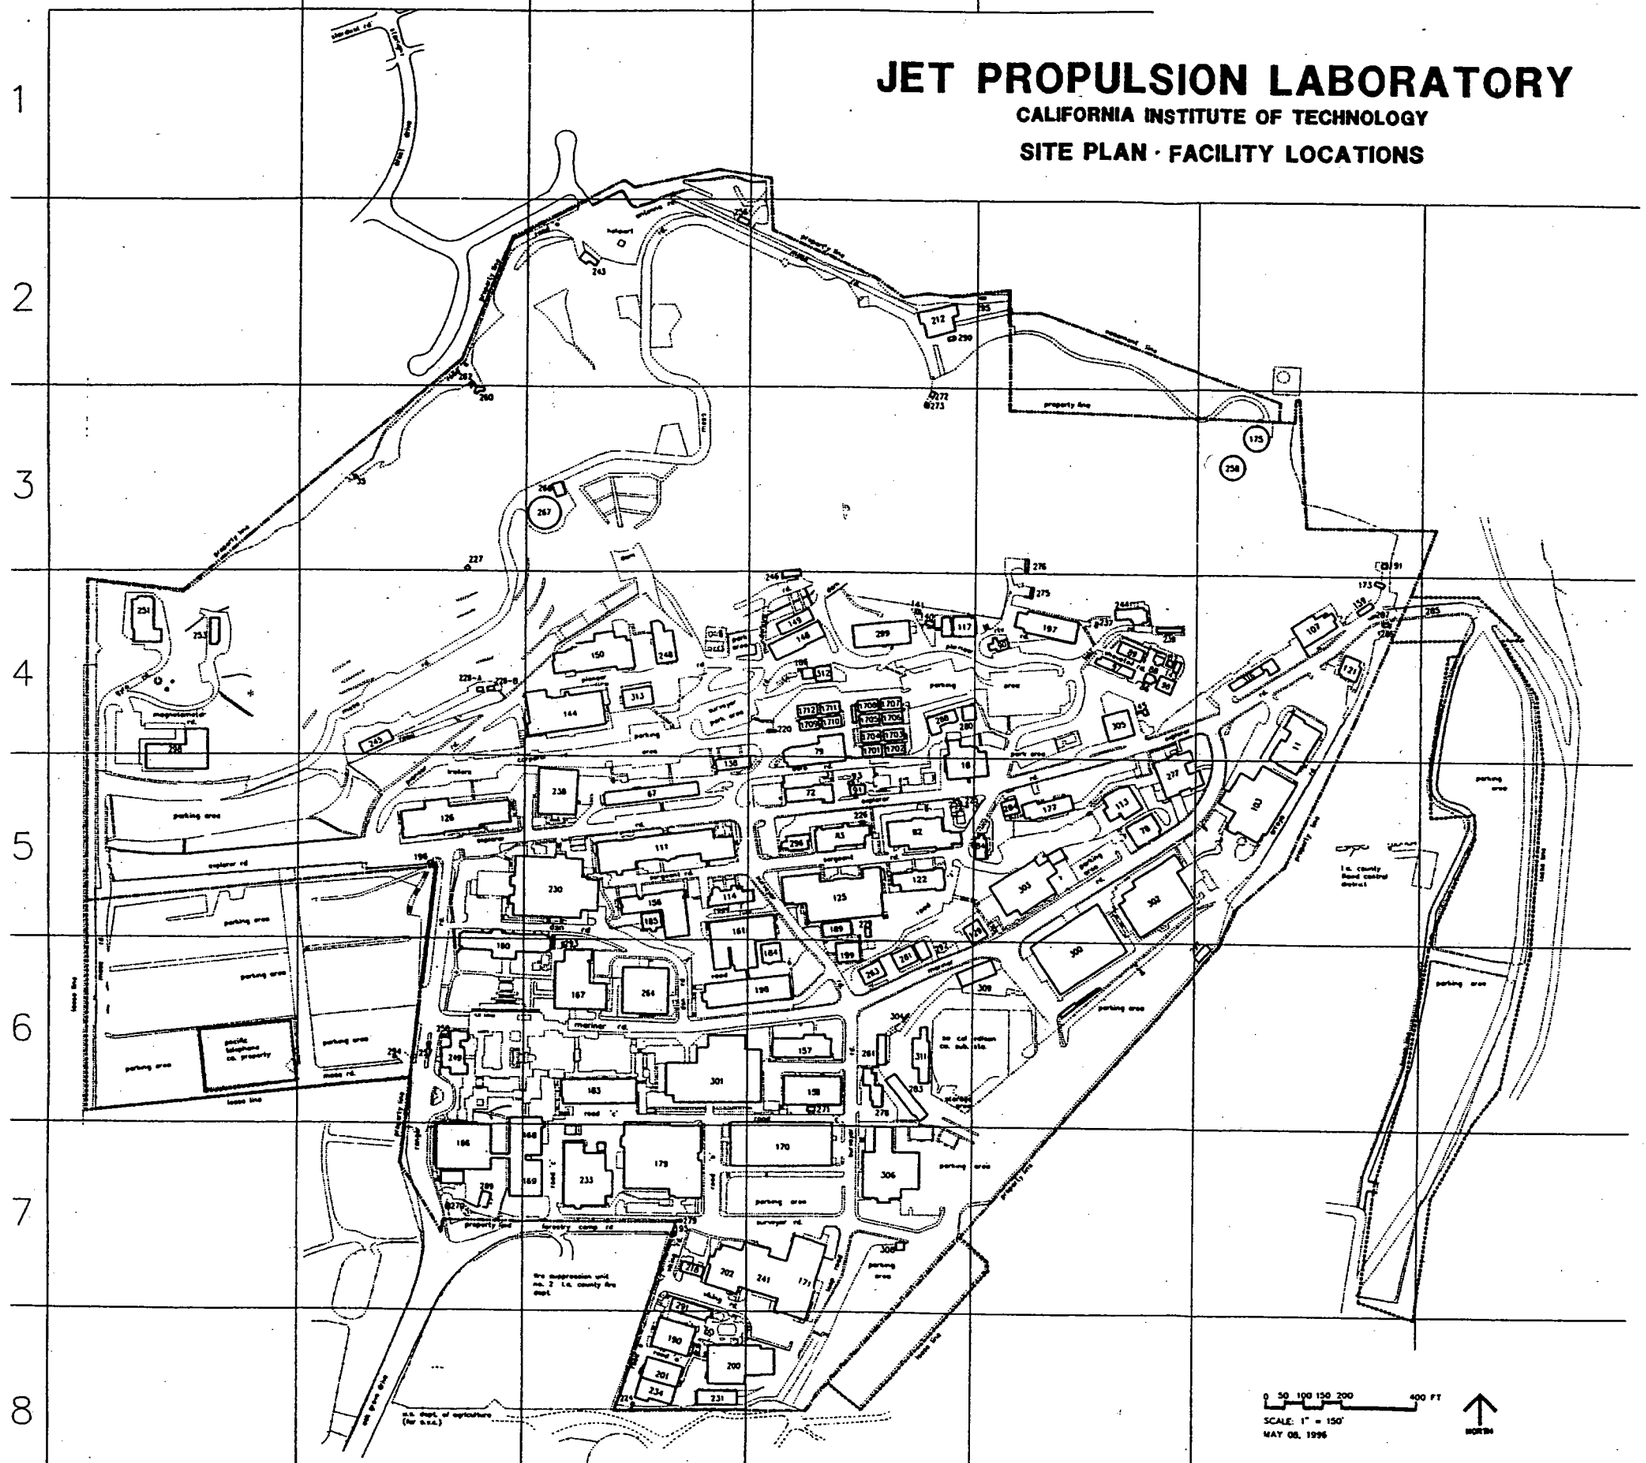
CALIFORNIA INSTITUTE OF TECHNOLOGY

SITE PLAN · FACILITY LOCATIONS



Facility Locations

No.	Facility Title	Location
11	Space Sciences Laboratory	4-F
18	Structural Test Laboratory	5-D
35	Radio/Repeater Complex	3-B
67	Material Research	5-C
72	Engineering Offices	5-D
78	Hydraulics Laboratory	5-E
79	Wind Tunnel (20 inch)	4-D
82	High Vacuum Laboratory	5-D
83	Quality Assurance	5-D
84	Chemical Materials Laboratory	5-E
86	Solid Oxidizer Laboratory	4-E
87	Propellant Conditioning Laboratory	4-E
88	Mixing Laboratory	4-E
89	Laser Laboratory	4-E
90	Pyrotechnics Laboratory	4-E
91	Air Dryer	5-D
93	Vaporizer	5-D
97	Development Laboratory and Offices	4-E
98	Solid Fuel Laboratory	4-E
103	Fabrication Shop	5-F
107	Laser Research Laboratory	4-F
111	Technical Information	5-C
113	Pneumatics Laboratory	5-E
114	Electronics Development	5-C
117	Liquid and Solid Propellant Laboratory	4-D
121	Analytical Instruments Laboratory	4-F
122	Energy Conservation Systems	5-D
125	Combined Engineering Support	5-D
126	Information Systems Development	5-B
129	Combustion Research Laboratory	5-E
138	Mission Operations	5-C
140	Propulsion Materials Storage	4-D
141	Propulsion Materials Storage	4-D
143	Solid Rocket Dock	4-E
144	Environmental Laboratory	4-C
145	Magazine - Propellant	4-E
148	Energy Conservation Laboratory	4-D
149	Energy Conservation Development	4-D
150	25-Foot Space Simulator	4-C
156	Computer Program Offices	5-C
157	Applied Mechanics	6-D
158	Material Research Processing Laboratory	6-D
159	Pump House (water)	4-D
161	Telecommunications Laboratory	5-C
166	Cooling Tower	4-D
167	Cafeteria	6-C
168	Instrument System Laboratory	7-C
169	Earth Space Science	7-C
170	Fabrication Shop	7-D
171	Material Services	7-D
173	Test Shelter	4-F
175	Water Reservoir	3-F
177	Transportation Garage	5-E
179	Spacecraft Assembly Facility	7-C
180	Administration	6-B
183	Physical Science Laboratory	6-C
184	Electronic Stores	6-D
185	Programming Office	5-C
186	Science Exhibits and Engineering	7-B
189	Electronics Laboratory Annex	5-D
190	Procurement Offices	8-C
191	Materials Compatability Laboratory	3-F
195	Guard Shelter	7-C
196	Guard Shelter	5-B
197	Solid Propellant Engineering Laboratory	4-E
198	Control Systems Laboratory	6-D
199	Celestial Simulator	6-D
200	Facilities Engineering and Services	8-C
201	Carpenter Shop	8-C
202	Procurement and Communications Support	7-C
212	Antenna Laboratory	2-C
218	Credit Union	7-C
220	ICS Terminal	4-D
224	Sewage Lift Station	8-C
225	Nitrogen Facility Office	5-D
226	Solvent Storage	5-D
227	Pistol Range Storage	1-B
228	Cooling Tower (A-B)	1-B
229	Shielded Room Building	1-D
230	Space Flight Operation Facility	1-C
231	Paint Shop	8-C
233	System Development	3-C
234	Lumber Storage	3-C
237	Cooling Tower	5-C
238	Telecommunications	5-C
239	Propellant Conditioning Laboratory	4-E
241	Receiving and Shipping	7-D
243	Remote Antenna Range Control	2-C
244	Chemical Engineering	4-C
245	Spectroscopy Laboratory	4-B
246	Solid Test Laboratory	4-D
248	10-Foot Space Simulator	4-C
249	Visitor Reception	6-B
250	Main Guard Shelter	6-B
251	Gyro Laboratory	4-A
252	Guard Shelter	6-B
253	Magnetic Laboratory	4-A
256	Model Range Control	2-C
257	Main Guard Island	6-C
258	Water Reservoir	3-C
259	Liquid Nitrogen Bottling Storage	3-D
260	Illuminator Equipment	3-D
261	Controlled Storage	6-D
262	Radiometer	2-B
263	First Aid	6-D
264	Space Flight Support	6-C
267	Water Reservoir	3-C
268	Pump House	3-C
270	Sewage Metering Station	7-D
271	Oil Storage	6-D
272	East Illuminator	3-D
273	Antenna Tower	3-D
275	Pyrotechnic Storage	4-D
276	Propellant Storage	3-D
277	Isotope Thermoelec. Sys. Appl. Lab.	3-C
278	Robotics Laboratory	6-D
279	Guard Island	7-C
280	Static Test Tower	4-D
281	Fire and Guard Headquarters	6-D
283	Mat Storage	6-D
284	Transportation Office	5-E
285	Arroyo Bridge	4-C
286	Guard Shelter	4-C
287	Guard Island	4-C
288	Project Equipment Storage	4-D
289	Main Sewage Lift Station	7-B
290	Antenna Inspection	2-D
291	Procurement Services	8-C
292	Fire Station	6-D
293	Instrumentation Cable Amplifier Building	6-C
294	Guard Shelter (Visitor Lot)	6-B
295	Antenna Test Facility	2-E
298	Central Cooling Tower Water System	5-D
297	Xenon Test Laboratory	6-F
298	Frequency Standard Laboratory	4-A
299	Assembly Handling & Shop Equip. Fac.	4-D
300	Earth and Space Science Laboratory	6-E
301	Central Engineering Building	6-C
302	Microdevices Laboratory	5-E
303	Engineering Support Building	5-E
304	Disintegrator	6-D
305	Hazardous Waste/Cryogenic Storage Facility	4-E
306	Observational Instruments Laboratory	7-D
308	Sewage Lift Station	7-D
309	Maintenance Storage Facility	6-D
311	Ground Maintenance Facility	6-D
312	Shelter Maintenance Facility	4-D
313	Mirror Refurbishment	4-C
316	Hazmat Storage and Dist Facility	4-F
	MODULARS:	
	1701-1712 Modular Offices	4-D
